

The Wittenberg Witness

The Monthly Edition of Wittenberg Lutheran Church's Newsletter

May 2025

Greetings, Wittenberg Family,

When we think of May, we probably think of Mother's Day, but a lesser-known holiday is in May: the feast day of St. Brendan The Voyager. Brendan was born near modern-day Tralee in western Ireland in 486. His life story is one of risky adventure, sailing forth into the waters of the unknown in response to God's call. He reminds us that the spiritual life in Christ is one of answering the call to adventurous discipleship. And it is precisely this adventure that we find throughout all of Holy Scripture, from Genesis to Revelation. Part of the Christian life is our eyes being made wide open to see that our lives are part of this one love story of God for his creation and recognizing that we are already a part of this adventurous story. It is a grand story of failures and triumphs, deaths and resurrections, but, regardless of the ebbs and flows, it is one of prayer and God's presence. It is a journey we never travel alone, because we have Christ as our fellow pilgrim and guide, leading us to Him, because Jesus is the source and goal of our life. So, no matter the uncertainty in this world, the known and unknown dangers in the darkness, we can confidently follow Jesus because he has conquered the darkness; he has conquered the world with death defying love. Journeying with Jesus, we discover our true selves (who we are now and who we are becoming through Jesus). In Jesus, we are able to reach our goal, which is a life of wholeness, peace, and purpose. It is a life dwelling in Jesus, and Christ dwelling in us. May the Spirit empower and equip us to always go boldly into the night of uncertainty, to boldly proclaim the Gospel, and to boldly show loving hospitality to all people. Blessings to you all!

Your servant in Christ,

Pastor Keith

ELCA VISION:

Claimed by God's grace for the sake of the world, we are a new creation through God's living word by the power of the Holy Spirit;

Gathered by God's grace for the sake of the world, we will live among God's faithful people, hear God's word and share Christ's supper;

Sent by God's grace for the sake of the world, we will proclaim the good news of God in Christ through word and deed, serve all people following the example of our Lord Jesus, and strive for justice and peace in all the world.

Greetings everyone,

A big thank you to all involved in making our Lenten, Holy Week, and Easter Sunday services so meaningful and special. The altar guild, Worship & Music Committee, chancel choir, volunteer musicians, service groups, and our church staff all combined to decorate our sanctuary and grounds, provide meals, make our services pitch perfect, and help us all on our journey through Lent and into Easter. Kudos and thanks to you all.

Moving forward, Endowment Sunday is May 4th. Thankfully, Wittenberg was able to award \$7,200 spread across five applicant groups this year: Friendship Missionary Baptist Church, Redeemer Lutheran Church, B-L Summer Literacy Program, Good Shepherd Lutheran Church, and Sole Stepping. The groups will be recognized at the 11 am service. Afterwards the Endowment Committee will be serving First Sunday lunch. Come join us!

Many thanks to Pastor Getz, Patricia Tiffner, and Sandy Rheingold for making plans to represent Wittenberg at the SC Synod Assembly in North Charleston in June. Please pray for them to have a meaningful experience and help our Synod move forward together.

Council approved at our last meeting moving forward with a plan with Dominion Energy to convert our lighting throughout the Educational Building to LED light fixtures in the coming months. Through a partnership with the federal government, Dominion will cover 90% of the cost, the church only 10%. Stuart Rheingold has confirmed that the work will take place beginning May 14 and should be complete within three days. Sometime in 2026, Dominion will conduct a similar process for the fellowship hall side of our facility (everything except the sanctuary). We will recoup our expenses within about three years and the change should help us save significantly on our energy costs over the coming decades. Stuart, Mike Nichols, and Ervin Caughman are working together to protect our interests on the project.

Council also decided to place a temporary hold on the cemetery fence project along Frances St. while we gather more information on fencing options/costs as well as to give our resident landscape engineer Greg Long time to do some fine grading of the property to ensure it is graded/leveled appropriately for our future burial needs. We may decide to move forward with the fence previously approved or we may vote to go with a higher-level fence to match the style installed about 10 years ago along North Lee St. Many thanks to Michael Guerette for leading this effort for us.

As always, feel free to reach out to wlccouncilpres@gmail.com with any questions or ideas you may have for me or our Council members.

Respectfully,
Andrew Hendrix

WLPP

Wittenberg Lutheran Preschool Program

The preschool enjoyed celebrating Easter. Each class went through the story of the Resurrection of Jesus with Resurrection Eggs. The students enjoyed an Easter egg hunt and special party day along with dying eggs.

The students have been learning about farming, growing plants and how to care for the earth this month. Our Fox class walked around and helped pick up trash on the church grounds as a way to help care for our environment. One of our parents, who works for WP Rawl, donated some planters, soil and plants for our students to grow their own vegetables. We are so excited for this hands-on opportunity for our students to learn about plants and how they grow. Our students have also had the opportunity to enjoy some different tasty snacks this month like smoothies, fruit cones, and bunny trail mix.

We are working hard to get ready for our end of the year program and graduation ceremony at the end of May. We hope you will join us and see how much our students have grown and learned this year.
