

The Wittenberg Witness

The Monthly Edition of Wittenberg Lutheran Church's Newsletter

September 2025

Greetings, Wittenberg family,

In many ways, Jesus' call to take up our cross, to suffer and die for his sake, is so countercultural, so against our emotional conditioning in a postmodern age that it seems impossible. We are taught to avoid suffering at all cost, to seek the creaturely comforts of today. We avoid as much as possible all hardships and struggles. I dare say that we rarely think about death until it comes either as an old friend after a loved one has lived a long life and is ready to pass to the afterlife or as a thief in the night, robbing us of a loved one, whose life is taken too early. But, does this mentality keep us from adventurous discipleship? Do we avoid the trials of suffering that come from following Jesus Christ? Are we too often complacent and indifferent to the injustices in the world? Do we choose not to speak up about Christian virtue and witness to the Gospel message of repentance and liberation from oppression and death, because we fear that we may offend someone? In a culture, in which there is no universal truth, just our own truths, are we willing to speak and live with the conviction that there is an ultimate truth, the Truth of Jesus Christ, who is the origin, purpose, and final goal of all creation? It is interesting that by avoiding even the thought of death, we live in a culture of death. People have become a commodity, in which their worth is based on how much they produce. How much one has or what one does for a living determines their worth.

But the Christian life is a different way to live, a different way to see. It is a way that involves embracing our joys and our sorrows, our sufferings and our pleasures. The Christian way is a journey of adventurous discipleship, in which we risk suffering for the sake of Jesus Christ and his Gospel. It is through our sufferings that our faith is strengthened, character is built, and the hold of this world on us is loosened. It is in tasting the darkness in our lives that we recognize and move toward the light, the light of Jesus Christ, who is with us in suffering and gives us the power to endure, the power to move through suffering to new life. In Jesus Christ, we are able to see that the world and our lives are in the providence of God. We are able to see the beauty of the world and the beauty of our lives. We are able to see the extraordinary transcendence in the ordinary moments of our lives. And, we live with hope that Jesus is drawing all things to himself, renewing all things. We have a powerful message that needs to be shared to the world. The Gospel message is a powerful cure for a world that is hemorrhaging from self-destructive delusion.

In order for us to share this transformative message, we need to be transformed by this message. We do this by coming to Bible study, Sunday school, worship, and through corporate and individual prayer. These are the means of grace that change us into the people of God, so we can have the mind of Christ. During the month of September, I encourage us all to challenge ourselves to make it a habit to come to Sunday school and worship each week and to take a risk by putting ourselves out there in inviting at least two people to church. I am convinced that doing these things will have such an impact on us spiritually, that we will want to continue doing them after the month is over. See you soon.

Your servant in Christ,

Pastor Keith

ELCA VISION:

Claimed by God's grace for the sake of the world, we are a new creation through God's living word by the power of the Holy Spirit;

Gathered by God's grace for the sake of the world, we will live among God's faithful people, hear God's word and share Christ's supper;

Sent by God's grace for the sake of the world, we will proclaim the good news of God in Christ through word and deed, serve all people following the example of our Lord Jesus, and strive for justice and peace in all the world.

Greetings everyone,

I hope you're all doing well and enjoying(?) the odd weather we've had in August.

Let's take a moment to thank everyone involved in Wittenberg's Sunday School program for all they do. We had a great Rally Day last Sunday morning to kick off the new school year (hope you were there to enjoy the "Tom & Otho podcast" and the great children's choir performances) and it's a great reminder of the opportunity that Sunday School can provide – to folks of all ages. If you'd like to connect with a class but you're not sure which one is right for you, please see Pastor Getz and he'll help you find one!

Mark your calendars for Sunday, September 28. Our very own Brittany Frick will be offering a flu shot clinic before the 11 am service. Bring your insurance card and be ready to roll up your sleeve to stay healthier this winter. Brittany's done this for several years now, and we appreciate this gift of service very much.

Over the past months, a number of us have held conversations regarding a barrier of some type along the side of our cemetery on Frances Street – something to ensure no vehicles are driven onto our property, and something to help frame that portion of the cemetery as families will begin to buy plots in the new section. Discussions have included a simple chain link fence, a classier fence that matches the same style that currently stands along North Lee Street, or perhaps using a mixture of cedar and Leyland cypress trees to form a more natural vertical barrier. Now I'd like to ask for wider input from the congregation. If you'd like to discuss the options, please reach out to me...either at church or via e-mail or phone (listed below). There are pros and cons to each option and I'd love to get a feel for what folks think about each of them.

As we head into the fall, it's time to develop a group of members who want to serve as Church Council members in the coming years. This year we will be looking for four members to serve three-year terms, and one member to complete a vacant two-year term. If you've never served but might be interested, or if you've served again and might be willing to give it another go...great! Please reach out to me or any of our current Council members to volunteer to stand for election, or be open to the possibility if one of us reaches out to you to start a conversation!

As always, feel free to reach out to wlcouncilpres@gmail.com with any questions or ideas you may have for me or our Council members. I hope you and your family will enjoy your Labor Day holiday. See you in church soon!

Respectfully,
Andrew

AUGUST RECAP

PRESCHOOL

Our students have been learning about kindness and how to show that in their classrooms. Each class has a kindness tree where they celebrate their acts of kindness in the classroom

Each student has had the opportunity to share about themselves and their family this month. Learning about one another helps the students to build community within the classroom. I invite you to take a walk down the preschool hallway and see some of our students and their families displayed on their "All About Me" posters!

Dear Friends,

Thank you for rushing aid to our neighbors in Texas affected by the deadly and destructive flood. Your \$100.00 gift will do so much good for families who are feeling overwhelmed and helpless.

We are so thankful to have you by our side because you truly go above and beyond when disaster strikes, whether at home or abroad. Thank you for always thinking of others and letting your faith guide you.

In faith and gratitude,
Ambassador Daniel V. Speckhard
