

THE WITTENBERG WITNESS

The Monthly Edition of Wittenberg Lutheran Church's Newsletter

February 2025

Greetings, Wittenberg family,

Recently, I have been reading the accounts of the early church in the book of Acts. Listen to what Jesus says about Christian witness, which is really a broad outline of the plot narrative in all of Acts:

“But you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem, in all Judea and Samaria, and to the ends of the earth”

(Acts 1:8 NRSV Updated Edition).

Throughout Acts, we see the Spirit shows up in more places than just in the Upper Room on the Day of Pentecost. Throughout the church's mission, the Spirit equips, and guides, and moves the people of God, Jesus' followers, to witness to the risen Lord, so others can believe and receive the salvation of God. This powerful and transformative presence of Jesus through the Spirit has been experienced by the Church throughout the ages ever since and continues in Christ's church today.

As we live in a time of political and social changes, and we may also be experiencing change in our own lives, I am comforted in knowing that the Spirit is with us to guide us and empower us to witness to the Gospel in our ever changing landscape of life. In order for us to feel the promptings of the Spirit, we need to be diligent in our spiritual disciplines of prayer, study of Scripture, worship, and acts of generous and joyful giving. Through these means of grace, we will be able to discern the Spirit's promptings and be directed in how to continue mission here in this place. And we are able to discern the Spirit the best when we are together, gathered in worship, and fellowship, and mission. I don't have enough pages and hours to write down all the Spirit-filled, God moments, I have experienced since my family and I have been a part of the Wittenberg family. The Spirit is moving powerfully within this people of God, who give of their time and talents to build up the body of Christ (the Church) and meet the needs of the community.

I don't know what the future may hold for the rest of this year, but I am confident that through the ebbs and flows of life, the ups and the downs, the joys and the sorrows, Christ is with us. And those hard times in our lives when we are most vulnerable and the pain and sorrow of loss in its many forms break open the floodgates of our tears, which open up the wounds of our heart, Christ, the Great Physician, enters through our wounds. He administers the Holy medicine of his presence, which brings healing to our souls and gives light to the world. The one who experienced human sorrow and the pain of the cross, showers us with his compassionate love. And the Spirit sends us out as wounded healers, signposts of the Kingdom of God, to witness to the risen Lord Jesus Christ. We go out to share God's love letters, his Valentines, the Gospel of Jesus Christ, so all people on the earth can experience the power and might of the risen Lord through the compassionate love of his followers.

Your servant in Christ,

Pastor Keith

ELCA VISION:

Claimed by God's grace for the sake of the world, we are a new creation through God's living word by the power of the Holy Spirit;

Gathered by God's grace for the sake of the world, we will live among God's faithful people, hear God's word and share Christ's supper;

Sent by God's grace for the sake of the world, we will proclaim the good news of God in Christ through word and deed, serve all people following the example of our Lord Jesus, and strive for justice and peace in all the world.

Greetings Everyone,
The new year is off to a busy start here at Wittenberg. I appreciate our new 2025 Council for their participation in our retreat and monthly meeting to kick off the new year. We're looking forward to a wonderful February with plenty of meaningful opportunities for all of us to worship and serve as part of the Wittenberg family as we head into the Lenten season.

I'd like for everyone to mark your calendars for **Sunday, February 9 at 7 pm for the All Committee Night** following our monthly council meeting. This is an annual tradition at Wittenberg, when nearly all our standing committees will host meetings to set a path for activity and success during 2025. For those of you who are long-time committee members, thanks for donating your time and talents over the years. For those who are new to us or who are looking to get more involved in the life of Wittenberg Lutheran Church, this is your chance! Even if you didn't fill out the "Time & Talents" form back in December, you are more than welcome to come out and get involved! Volunteer effort from all the committees are what keep Wittenberg going strong. Whether it's the Property Committee keeping our physical plant in great shape or the Parish Life Committee celebrating events and milestones in the lives of our congregations, to the Worship & Music Committee working with Pastor to plan all of our meaningful worship service activities or the Youth Group helping mold and mentor our young Lutherans, there are tons of things happening behind the scenes making this a vibrant place to be.

As we worship and grow together, I urge you to find your place to jump in - and February 9 at 7 pm could be a great starting point for you! Please let me, Pastor Getz, or one of our Council members know if you have questions about how to get involved...we'll be happy to chat about opportunities.

I look forward to seeing you in church soon. And as always, feel free to reach out to wlccouncilpres@gmail.com if you have any questions or ideas you may have for me or our council members.

Best wishes and peace,
Andrew Hendrix

Wittenberg Lutheran Preschool Program

.....

January was spent trying to get back into our routines at the preschool. We spent a lot of time going over the right way to do things when we are at school. We also learned about animals and their habitats. Students studied the popular book "The Mitten" by Jan Brett. It went right along with the snow days we had this month. We missed several days of school due to the snow and ice on the roads. We enjoyed hearing all about the students' adventures in the snow!

In February we will have Career Week and are always looking for individuals to share their job with us during this month. If you would like to come and talk about your career with our preschool please let me know. We would love to have you!
