

The Wittenberg Witness

The Monthly Edition of Wittenberg Lutheran Church's Newsletter

June 2025

Greetings, brothers and sisters in Christ,

When we look at our current postmodern culture with all its secularism, subjectivity, and empiricism, what saddens me is our culture's loss of mystery and sacredness. I believe that when we lose sight of God's providence, His presence in creation, His sacred "Otherness" in the universe, then we lose hope, we lose direction and purpose, and we lose the power of wonder that makes life adventurous. God's presence fills our lives with beauty and meaning, and life is understood as this awe-inspiring, beautiful mystery that we are a part of.

When we gather for worship, we are better able to see the light of Christ breaking into the world. We are better able to see and experience the sacred infusing of the Word in the world and His divine work of transforming all of creation. We are better able to see Jesus drawing all things to himself, so they can reach their final goal of perfection and purpose. In the experience of worshipping as the Church, we are able to hear Jesus call us to participate in His transformation of the world. So, perhaps we can be the change; we can help others see the sacredness of life, the beauty of creation, the presence of the Triune God, radiating divine light and life into the world. After we have been equipped by the Holy Spirit, through worship, we are empowered to go out into the world to witness to others about the crucified risen Lord in their midst and in their lives, so they, too, can be a new creation, seeing the beauty, sacredness, and mystery of creation, which is to say, seeing God's presence and providence in the world. In our actions of love and hospitality, we reveal to others that they are beautiful, precious, valued and loved.

Your servant in Christ,

Pastor Keith

ELCA VISION:

Claimed by God's grace for the sake of the world, we are a new creation through God's living word by the power of the Holy Spirit;

Gathered by God's grace for the sake of the world, we will live among God's faithful people, hear God's word and share Christ's supper;

Sent by God's grace for the sake of the world, we will proclaim the good news of God in Christ through word and deed, serve all people following the example of our Lord Jesus, and strive for justice and peace in all the world.

Greetings everyone,
Thanks to everyone who helped make Endowment Sunday 2025 such a success. It was a blessing to be able to award \$7,200 in grants to the five different groups who are doing great work.

The WLC Preschool graduation event on Wednesday the 21st had the sanctuary packed again this year for another memorable event!

We look forward to Vacation Bible School which will be held June 1 – 3 from 6 - 8 pm. Thanks to our Christian Education Committee and their wonderful volunteers for hosting it! Also, June 8 will be Confirmation Sunday for several of our youth. Congratulations!

Pastor Getz, Patricia Tiffner, and Sandy Rheingold will represent Wittenberg at the SC Synod Assembly June 12 – 14. I'm excited to hear what our synod is doing and what the future holds.

Many thanks to Pastor Getz and Church Administrator Becky Hughes for their efforts on Wittenberg's behalf. We are so blessed to have them and we're happy to recognize their workplace anniversaries on May 25.

Reminder: be sure to check your mailbox in the gathering area just outside the Fellowship Hall from time to time – you might receive information there regarding things going on at Wittenberg, your offering statements, notes from others in the congregation, and more.

As summer gets going with the traditional Memorial Day kickoff, I hope you will take time to remember those Americans in uniform who gave their "last full measure of devotion" in defending our nation and giving us the opportunity to live free. What a blessing – and a responsibility – they've given us. I hope you will have a chance to enjoy the nice warm weather, time away from school/work, and hopefully a chance for a vacation of some type this summer.

As always, feel free to reach out to wlcouncilpres@gmail.com with any questions or ideas you may have for me or our Council members.

Respectfully,
Andrew Hendrix

Wittenberg Lutheran Preschool Program

May is always such a busy month here at the preschool. We celebrated our teachers with Teacher Appreciation week. The Lutheran Men of the church prepared a nice sit-down dinner for our teachers and their families. We appreciate them taking time to show their support to our staff.

We prepared to say goodbye to those leaving us to attend “big school” with graduation and end of the year program along with an end of the year party. Our students and staff took time to show their appreciation to the mothers and grandmothers of our program with Muffins with Moms. We have had a countdown to summer which included eating ice cream and new fruits, picnics, reading outside on our beach towels, having a hula party and wearing our pjs to school!

Our younger students have been learning about sequencing with the story The Very Hungry Caterpillar. They have been watching real caterpillars and their life cycle. They were able to release their butterflies they have been watching change from a caterpillar. They have also been counting down to summer with hat day, bubble play, eating ice pops and goldfish, wearing our clothes mix matched and an entire day focused on kindness. All the students leaving our program this month received a Bible from the preschool. We hope that as our students leave our program, they will carry the love of Jesus with them and we know that the word of God is written on their hearts.
